*Our apologies for any time off in the schedules. There were many late entries that changed the competitor numbers.*

All rotations will move to their next rotation simultaneously.

Please follow the announcer's directions and be sure to go to your warm up rotation prior to being called to your competition rotation.

It is your responsibility to stay with the correct competition order.

After rotation 8 you may advance as an event opens up - *there is no longer the chance of being on two events at once.*

*Order will be determined by draw at the coaches meeting.*
